

SCARLETT DEVA MEDIA PACKAGE

**Singer-Songwriter • Pianist • Composer • Arranger • Producer • Educator •
Broadcaster • Author • Doctor of Integrative Natural Medicine**

INTRODUCTION

Scarlett Deva is an internationally recognized recording artist, performer, composer, educator, broadcaster, humanitarian, and founder whose career spans music, media, education, and integrative wellness.

Known as **The Voice of Music & Medicine**, Scarlett has dedicated her life's work to exploring the profound connection between music, healing, creativity, and human potential

Whether performing on stage, composing original music, hosting her Music & Medicine radio program, educating future healthcare practitioners, or inspiring audiences through speaking engagements, Scarlett's passion is helping people discover the transformative power of music.

PROFESSIONAL BIOGRAPHY

Scarlett Deva is an award-winning Canadian singer-songwriter, pianist, composer, arranger, producer, educator, author, broadcaster, and Doctor of Integrative Natural Medicine.

Her career has taken her across multiple creative disciplines, including live performance, recording, composing for film and television, education, broadcasting, humanitarian initiatives, and public speaking.

Scarlett's original music has reached international audiences and charted across Indie, World, and Euro music charts. She has released multiple recordings, performed throughout Canada and internationally, and continues to write, record, and produce music that inspires connection, reflection, and healing.

As founder of the International Medical Arts Institute, Scarlett has also educated countless students while integrating her passion for health, music, and lifelong learning.
